

# URENUI BOAT CLUB NEWSLETTER

Dear Members

Hi Team and welcome to Newsletter no 8 for the season. The Loris Sarten Competition was held as planned on Saturday the 2<sup>nd</sup> of April which is getting pretty late in the season so we are pleased that we got a weather day that was suitable. The Loris Sarten trophy, which is won by the angler with the biggest snapper, was won by Graeme Jones, with a very impressive fish of 7.495Kg's. Graeme was fishing on Bobby Dazzler skippered by Bob Swindlehurst. Being the last competition of the season, the major club prizes were also drawn. These are prizes drawn from a list of club members that have fished in two or more of the competitions held during the year. The major prize for this is a \$2000 cash prize and was this year won by Jeff Collingwood. 2<sup>nd</sup> prize, a new whitebait net from West Coast marine, was won by Angela Withey. 3<sup>RD</sup> 4<sup>TH</sup> 5<sup>TH</sup> AND 6<sup>TH</sup> prizes of rod and reel sets were won by Kevern Thomson, Dexter Locke, Bob Swindlehurst and Kevin Broadmore. Congratulations to all our prize winners. Some photos of the presentation for the Loris Sarten trophy and the major club prize can be seen on the club website.

The last event on the club calendar is the kid's competition which will be held on Easter Sunday which is the 17<sup>th</sup> April. Due to the Rahui on the river, we will not be holding a competition that involves fishing in the river. Instead there will be a fishing themed hunt around the camp ground. This will be held in age group sections with prizes awarded for "fish" caught. This event will start at 10am and more details will be sent out closer to the date.

A comment was made during the Loris Sarten comp that it was great that all the club competitions were held this year, when we often hear of events such as this cancelled due to Covid restrictions. As a committee, we looked at what we needed to do to be able to run the competitions and at times we put things in place that enabled us to run the competitions but also comply with the government directions around Covid. The success of this was due in no small part to the co-operation of all the club members to these conditions. There was not a single word of dissent heard from the members, and any issues that were raised were discussed and overcome. So the committee thanks you all for your patience and co-operation with these issues. Hopefully by next season, these issues will be but a distant memory.

Please remember to support all our sponsors during the coming winter and if you can, let them know that you are from the Urenui Boat club and how much we appreciate their support.

There will be a final newsletter sent out after the Kids Comp to complete the season.

## COMMITTEE FOR 2021/2022

**Patron:** Murray Wells

**Commodore:** Kevin Broadmore

**Vice commodore:** Ken Shorter

**Club Captain:** Stephen Houghton

**Secretary:** Bruce Irvine
